

Introducing **Tubular-Band**<sup>™</sup>  
A clever alternative to  
conventional dressing retention:

RETENTION BANDAGES

# Tubular-Band™

## Tubular Retention Bandage

**Tubular-Band™** is ideally designed as a low cost, easy to use alternative to crepe bandage and adhesive applications.

**Tubular-Band™** is used for:

- Wound Dressing Retention
- Isolation of I.V. Lines and Tubing
- Application to any area where Skin Protection is required

### Features:

- **100% Australian Made**
- Extremely light weight bandage
- Provides effective retention for every part of the body
- Quick and easy to apply
- Fully Washable
- Extremely cost competitive
- Available in 5 easy to identify colour coded sizes
