

Introducing **Tubular-Net**TM
A low cost alternative to
conventional dressing retention:

RETENTION BANDAGES

Tubular-Net™

Tubular Net Retention Bandage

Tubular-Net™ is ideally designed as a low cost, easy to use open weave retention bandage

Tubular-Net™ is used for:

- Wound Dressing Retention
- Isolation of I.V. Lines and Tubing
- Any retention application where minimum skin contact is required

Features:

- **100% Australian Made**
- Extremely light weight bandage
- Provides effective retention for every part of the body
- Ideal for Burns Units and Neonatal Intensive Care Units
- Constructed Free of Knots eliminating risk of pressure damage
- Applicators are available for fingers and toes
