Introducing **Tubular-Gauze**TM

A low cost alternative for
skin protection:

PROTECTION BANDAGES

Tubular-Gauze™

Tubular Gauze Bandage

Tubular-Gauze™ is ideally designed to provide a protective layer in direct contact with the skin.

Tubular-Gauze™ is used for:

- Protecting clothing and bedding from soiling by ointments and creams.
- Direct wound dressing for fingers & toes.
- Providing a bulk protective dressing for fingers.
- Providing a protective layer prior to application of adhesive strapping.

Features:

- **Australian made**
- 100% Cotton
- Extremely light weight bandage
- Ideal for podiatry application
- Applicators are available for fingers and toes
