sutherlandmedical

# Trio ostomy care

## Advanced Silicone Technology

- Flat and Convex Ostomy Seals
- Flange Extenders
- Stomal Gel
- Adhesive Remover Spray and Wipes
- Skin Barrier Spray and Wipes
- Gelling and Odour Control Sachets

### Features:

- Self-adjusting seals that provide a snug fit with instant adhesion
- Shields skin from harmful input
- Stays in contact, does not breakdown
- Allows skin to breathe
- Peels off in one go with zero residue upon removal
- Silicone flange extenders allow supple, strong, secure fit and are waterproof
- Sting free sprays and wipes that leave no residue
